

DALI Lighting Awards 2023 open for entries

Open to all commercial lighting projects that benefit from the use of DALI technology, the DALI Lighting Awards 2023 is now accepting entries, with a closing date of November 30, 2023.

Piscataway, NJ, USA – September 18, 2023: The [DALI Alliance](#), the global industry organization for DALI lighting control, announces the call for entries for the [DALI Lighting Awards 2023](#).

With a closing date of November 30, the DALI Lighting Awards 2023 will highlight and recognize the best use of DALI control applications and solutions in lighting projects across the world.

The DALI Lighting Awards 2023 will accept entries for all projects linked with DALI technology in the following categories:

- Architectural & Entertainment
- Healthcare & Education
- Industrial
- Infrastructure
- Outdoor
- Residential
- Retail & Hospitality
- Workspaces

“We are very proud that our Awards program acts as a showcase for projects around the globe that have used DALI to achieve excellence in lighting design,” said Paul Drosihn, DALI Alliance General Manager. “Each year, the winning projects demonstrate the broad portfolio of features and benefits available using DALI, across a diverse range of applications.”

Entry requirements

There is no entry fee for the Awards, and submissions are welcomed from all geographical regions. Entrants can nominate multiple projects, one per category, on an individual basis or as part of a team.

Entries can be submitted from any section of the supply chain (including lighting designers, electrical consultants, architects, installers and commissioning engineers among others). Please see our website (www.dali-alliance.org/awards2023) for detailed entry criteria and a list of the information required.

Our international judging panel includes lighting designers, editors from lighting trade magazines, and representatives from lighting organizations in the USA, Europe and China.

To submit a project, entrants are invited to complete the online entry form on the DALI Alliance website (www.dali-alliance.org/awards2023).

Entries for the Awards are open until November 30, 2023. The winners will be announced early next year and will receive publicity on the DALI Alliance website and other channels.

About the DALI Alliance

The DALI Alliance (also known as the Digital Illumination Interface Alliance or DiiA) is an open, global consortium of lighting companies that drives the growth of lighting-control solutions based on internationally standardized Digital Addressable Lighting Interface (DALI) technology. The organization operates the DALI-2 and D4i certification programs to boost levels of cross-vendor interoperability. As lighting continues to evolve and converge with the IoT, the DALI Alliance is also driving the standardization of wireless and IP-based connectivity solutions.
